

Bluegrass Obstetrics and Gynecology

Late Arrival Policy 2025

Our doctors, nurse practitioners, and staff aim to make your visit a pleasurable one. In our efforts to make your visit more comfortable and to minimize your wait time, our office has implemented a late policy.

If a patient is more than 10 minutes late for an appointment, the appointment may need to be rescheduled. This is to ensure that the patients who arrive on time do not wait longer than necessary to see the provider. You may be given the option to wait for another appointment time on the same day if one is available.

We will try to accommodate late comers as much as possible, but cannot compromise on the quality and timely care provided to our other patients.

New patients need to arrive at the office at least 15 minutes prior to the scheduled appointment to complete the paperwork. If a new patient's paperwork is not filled out in a timely fashion upon arrival, we may need to accommodate other patients who arrive on time. The doctors and nurse practitioners at Bluegrass OBGYN truly appreciate your compliance and understand this policy so that we can continue to provide excellent medical care as well as excellent customer service.

I have read and understand the Bluegrass OBGYN Late Arrival Policy and agree to the terms.
